

50 STATE FLAGS

Project Due on: Tuesday, December 18th

On the half-sheet pieces of paper that are provided, you will hand draw and color all 50 state flags of the United States of America. On the back of each flag you will write the name of the state, its capital city, the state motto, and three interesting facts about the state. When you are completed with all the flags, attach together along with a cover you design.

All of the flags must be done with the same type of coloring utensil so the booklet looks uniformed when completed. No computer printout flags will be allowed. Do all the work yourself!

You can find the flags in encyclopedias, atlases, and online. Try to use the most up-to-date books and websites to get the most current information.
